Fair 2

Picnic 2

Upcoming Events 2

This has been a phenomenal year so far. The Alumni has been hard at work to keep the wheels turning in order to make this another successful year. There was our consignment auction, vendor craft fair, Racine County Fair booth, nut and bolt sale, and coming up is our

huge craft fair/bake sale. All of this helps benefit the FFA students with scholarships, awards, convention fees, animal sales at the fair and much more. Please consider becoming an FFA Alumni member to help support our youth. Meetings are held the first Wednes-

day of the month at 7pm in the Cotton Patch room at the Cotton Exchange in Waterford. Food and beverage are provided. We would love to see you there! Any questions, please contact:

OUR MISSION

To sustain and advocate youth interest and education in the Agribusiness fields, while promoting

essential values of ethical integrity; respect for the environment and land; and a strong commit-

ment to self, success, and the Waterford Community.

FAIR

This year was another very good year for us at the Racine County Fair in our food booth.

A few challenges were overcome with success as we had changed our food vendor, our ham was discontin-

ued and the a/c went out on the last and hottest day. But all was well in the end and we sold an abundance of loaded baked potatoes and hot ham sandwiches of which were both monster

amounts of food! Also the nacho grande, brats and hot dogs were in big demand.

Thank you to everyone who volunteered their time to make this another stellar year for the food booth.

PICNIC

We had our annual picnic on September 18th. There was lots of mouth watering food to savor along with the hot turkey sandwiches and

roasted corn provided by the Alumni. There was a great game of baseball and all kinds of fun and laughter among the people.
