

Waterford FFA Alumni

Volume 1, Issue 1

COME JOIN OUR CLUB!

There is no need to think that you have to be a past FFA student to become FFA Alumni member.

Anyone is welcome to join our organization. Meetings are held the first Wednesday of the month at the Cotton Exchange in Waterford at 7:30pm.

We provide pizza, beverages and an occasional decadent dessert. Please consider joining us and become a mentor to our youth. Membership provides great rewards as we watch our young adults grow and achieve in the FFA program. They are our tomorrow, let's give them a

helping hand. They will take this knowledge into their adult life and use it to succeed in pursuing dreams and fulfill greater accomplishments.

OUR MISSION

To sustain and advocate youth interest and education in the Agribusiness fields, while promoting

essential values of ethical integrity; respect for the environment and land; and a strong commit-

ment to self, success, and the Waterford Community.

Consignment Auction

Our annual consignment auction is held on the last Saturday in February at the Racine County Fairgrounds. This year it wasn't too cold but a few snow flakes did fall!

There was a great turnout of both donated items to auction off and buyers which made for a lot of happy treasure hunters.

The FFA students provided another mouth watering se-

lection of food to choose from with lots of hot coffee and hot chocolate to keep you warm!

We would like to thank all of the sponsors and volunteers that helped this year.
